

Invitation to the SMME Turnover Tax Incentive for Micro Businesses webinar

Dear SMME Owner

The South African government has introduced various tax incentives for Small, Micro and Medium Enterprises (SMME). The tax incentives are intended to help the SMMEs by reducing the burden and cost of tax compliance. One such incentive is the Turnover Tax system, which was introduced to help micro businesses and is characterized by favorable and lower tax rates for Micro businesses.

As part of our strategic objective, SARS is committed to providing clarity and certainty of your tax obligations in the most effective and convenient manner. To help taxpayers, SARS will host a virtual webinar for Small, Medium and Micro Enterprises (SMMEs). The webinar will provide information on the Turnover Tax.

The following topics will be covered :

- Benefits of Turnover Tax
- Qualification criteria
- Registration process
- Returns submission process
- Turnover Tax rates and comparison to other taxes
- Payment process and due dates

As a Micro business or an important stakeholder, you are invited to join us and you may also extend this invitation to other interested parties.

The details of the event are as follows:
