About AFMA

The Animal Feed Manufacturers Association of South Africa (AFMA) is the official industry representative body of the South African feed industry. AFMA members produce 60% (±7 000 000 tons of feed) of all animal feed used in South Africa, with the majority of the balance being produced on-farm and at feedlots. It represents the South African feed industry on the International Feed Industry Federation (IFIF) as one on its Board members and is currently one of the five Exco members of the IFIF Board.
