

CONNECT GROW

NEDBANK VINPRO INFORMATION DAY

No person, business or industry operates in isolation. Being connected to the persons and things around us not only makes us human but also drives business success.

We explore how the wine industry, individual or wine-related businesses can leverage the networks and connections in our midst to ensure sustainable growth.

Date: 19 January 2023	Venue: Cape Town International Convention Centre	Time: 09:00 – 14:30	Cost: R850 Vinpro members* R1 250 non-members
